**I appreciated your prayers** and the “first responders” who helped me during my episode at church last Sunday. Thank you so much. After tests in the “ER”, nothing serious was discovered. I had surgery Tuesday for a long-term sinus and ear issue which may have contributed to my dizziness. Since the surgery, I am doing much better. James Kropf

**Thank you**, church family, for your many prayers, cards, phone calls and visits. I know that it is because of your prayers and the grace of God that I am here. I am still on the road to recovery and hope to be at church soon. John Stutzman and family
